Of Fort Wayne Allen Co Ind = = Gentlemen
your Notice of Assessment of Damages and Benefits
on Sand on the North Side of Leith St and owned
by Mrs Clarissa Thompson - Received = and by her
Special Request. and in Justice of her Rights. I as
her Agent hereby Object and protest against said
recitation upon the part of the Board = as the locating
of Leith St through her Sand greatly Damages her
Land. by taking 86 ft in length by 28 ft and some
inches in Width of her Sand for which you have
not given her any benefit whatever and by so doing
you not only take her Ground but subject her to an
Expense of no small amount to fill up her Lot so as
to have the same value that it now has or would
have were Leith St not located through this Sand
being the East 86 ft of the North $\frac{1}{2}$ of Lot 5 Barnetts out
outs - You Gentlemen we sincerely Hope that
you will Reconsider your recitation in this Matter
and give the owner of said Sand a fair allowance
for Damages to said property.

~~My~~ To The Board of Public Improvements

of Fort Wayne Allen co Ind == Gentlemen
having received your notice for Damages and Benefits
on Land I own Along the North Line of Leith St I
Notice that you have Assessed the Damages \$174 Benefits
\$100 &c Damages \$74 To which I object and protest for the
Reason that said Leith St takes 28 ft and some inches
in width and 140 ft in length of my Land worth at
least \$250 in cash value besides said Leith St is a
damage to me as it will cause quite an Expense to
fill up said Land. as it will require from 2 to 3 ft heap
of filling after said Leith St is graded: to cause said Land
to have the same value that it now has or would have
if said Leith St were not located along or through said
Land = being the south End of the West 140 ft of the
North ^{507.5} 1/2 of Burnetts out lot to the City of Fort Wayne = and
further I do not understand how in Reason or Justice
you Allow Mr Steuben B. Bond \$500 Damages and Assess
me \$100 Benefits. When it will cause me to fill my Land
as herein stated. and I sincerely Hope and Trust you
will reconsider your decision of Damages and Benefits
and Allow me at least as much for Frontage ft
as you allowed Mr Bond Then I will be greatly
obliged and satisfied

as I have already given one
half of the street for the benefit
of the public on the west side
of my intende plat free of
charge. while others as I understand
have been paid for the other one
half of said street being

10 ft free of charge on the
North side being Pontive St.
and as I do not regard said
street any benefit to the in
the least nor to my property.
- will therefore say that if I

Granting the Right of Way
for the Opening of Leath St
through the south part of my

then in that case I will kindly
ask of you not to pass upon
it at all - and as there are some
200 feet more or less between
the West Terminals of Leath St
and my ground as yet uncon-

Reasonable to me that I should
be asked to grant the Right of

of the proper Authorities to

Board will see fit to grant my
